# TAPE

IT —Tape è un letto imbottito dal volume accogliente che comunica visivamente l'idea di comodità. La morbidezza di testiera e giroletto è enfatizzata dalle cinghie posizionate ai quattro angoli che comprimono l'imbottitura come a contenere e sorreggere il materasso. È disponibile anche nella versione con contenitore e può essere personalizzato con tutti i tessuti, ecopelli e pelli extra della collezione, coordinandolo con gli altri complementi e tessili della stanza.

EN — Tape is a padded bed whose sink-in form visually conveys the idea of comfort. The softness of the headboard and bed surround is emphasized by the belts located at the four corners, which compress the padded upholstery as though to retain and support the mattress. It also comes in a storage bed version and can be customized with any of the collection's fabric, imitation leather and extra leather options, even coordinating it with other occasional furniture and soft furnishings in the room.

# VELVET

IT — Il letto completa la collezione di imbottiti Velvet per la zona giorno – divano, poltrona e pouf – di cui riprende le linee fluide e sinuose. Leggero, avvolgente ed elegante è un luogo dove riposarsi con il massimo comfort, caratterizzato da una morbida testiera imbottita che si apre in un abbraccio accogliente. Il giroletto rialzato da gambe in finitura brunito può essere personalizzato con tutti i tessuti, ecopelli e pelli extra a catalogo.

EN — The bed completes the Velvet collection of upholstery items for the living area – sofa, armchair and ottoman – echoing its flowing, sinuous lines. Light, enveloping and elegant, it is a place for resting in supreme comfort, featuring a soft padded headboard that opens up its wings inviting a hug. The bed surround raised up on legs in the bronze finish can be customized with any of the fabric, imitation leather and extra leather options from the catalogue.

e laccato opaco fango, con gambe
e maniglie in finitura brunito.

**EN**
— Drawer modules in olmo
termotrattato and fango matt
lacquered finishes, with
bronze-finish legs and handles.

# RAIN

IT — Rain è un letto dal taglio giovane e contemporaneo che gioca con tessuto e legno per creare nuovi effetti materici. L'ampia testiera imbottita si può completare con uno o due vassoi circolari che funzionano da eleganti comodini. Al giroletto, in legno in finitura noce canaletto come le gambe, può essere applicato un morbido coprigiroletto imbottito.

EN — Rain is a bed with a youthful, contemporary slant that plays with fabric and wood to create new textured effects. The generous padded headboard can be finished off with one or two circular trays that serve as elegant bedside tables. The bed surround made from wood in the noce canaletto finish, like the legs, can have a soft padded frame cover attached.

— Modules making up the tallboys in visone and cipria matt lacquered finishes.

# NIDO

IT — Tradizione tecnica e modernità estetica si fondono nella geometria minimale del letto Nido. La forma squadrata del giroletto si abbina alle linee sobrie e raffinate della testiera imbottita, composta da due ampi cuscini impreziositi da cuciture e rivestiti in tessuto, pelle extra o ecopelle. Il giroletto è disponibile nelle finiture ecolegno o laccato opaco in tutti i colori, anche con contenitore.

EN — Technical tradition and modern looks merge in the minimal geometry of the Nido bed. The blocky shape of the bed surround is paired with the unfussy, refined lines of the padded headboard, made up of two generous cushions embellished with pronounced seams and upholstered in fabric, extra leather or imitation leather. The bed surround comes in the eco-wood or lacquered finishes in any of the available colours, as well as with a storage base option.

**EN**
— Drawer modules making up the bedside table in olmo termotrattato finish.
— Arrangement with drawer modules in oceano matt lacquered finish, bronze-finish clothes rack and Box 12 storage unit in olmo termotrattato finish, oceano matt lacquered bench.

# TIME

IT — La testiera Time si compone di due pannelli sovrapposti che si personalizzano nei colori e nelle finiture. Disponibili nelle finiture ecolegno e laccato opaco, i pannelli possono anche essere imbottiti e rivestiti con i tessuti della collezione, per dare vita a testiere sempre diverse a seconda dell'abbinamento cromatico e materico scelto. Ai pannelli della testiera si possono  inoltre applicare contenitori pensili di diverse misure che fungono da comodino.

EN — The Time headboard is made up of two overlapping panels that can be customized in a range of colours and finishes. Available in eco-wood and matt lacquered finishes, the panels can also be padded and covered with fabrics from the collection to create a never-ending array of different headboards depending on the chosen colour and material combination. In addition, the headboard panels can be fitted with different sized suspended storage units serving as bedside tables.

**EN**
— Drawer modules in bianco matt lacquered finish with quarzo matt lacquered handles.
— Drawer unit in corda and bianco matt lacquered finishes with quarzo matt lacquered handles.

# EASY SYSTEM

IT — Easy System è un progetto che si caratterizza per l'estetica essenziale e la grande versatilità. Cassettiere e comodini diventano parte di un sistema più ampio che può comprendere anche boiserie, con o senza mensole, panche a terra, telai appendiabiti, specchi, vani a giorno, composizioni freestanding, scrittoi e contenitori Box 12, creando infinite soluzioni d'arredo. Ognuna delle componenti del sistema può essere personalizzata con l'ampia scelta di finiture disponibili, incluso il noce canaletto per i cassetti con frontali Rays.

EN — Easy System is a design that stands out for its pared-back look and impressive versatility. Drawer units and bedside tables become part of a larger system that can also include wall panelling, with or without shelves, floor benches, clothes racks, mirrors, open shelving, freestanding arrangements, desks and Box 12 storage units, creating endless furniture solutions. Each of the system components can be customized with an extensive range of finishes to choose from, including noce canaletto for drawers with Rays fronts.

clothes rack, tortora matt
lacquered shelves and drawer
modules, tray top in olmo
termotrattato finish.
— Sommier padded bed, with
storage base, in Memory 21 fabric.

# CUBE SYSTEM

IT — Cube System è un sistema di contenitori di diverse dimensioni che si affiancano e si sovrappongono per creare cassettiere, comodini, comò e settimanali, ma anche composizioni più complesse con boiserie, panche, vassoi, portadocumenti, scrittoi, appendiabiti e specchi. I singoli moduli, che hanno la particolarità dei frontali ripiegati in folding, si possono personalizzare a piacere scegliendo tra le molte finiture disponibili, inclusi i tessuti per i pannelli imbottiti e foderati.

EN — Cube System is a system of different sized storage units that are designed to be placed next to each other or stacked to create drawer units, bedside tables, chests of drawers and tallboys, as well as more complex arrangements involving wall panelling, benches, trays, document holders, desks, clothes racks and mirrors. The individual modules, which stand out for their mitre-folded fronts, can be tailored to your individual tastes with a whole host of finishes to choose from, including fabrics for the padded and lined panels.

## VERNICI ALL'ACQUA
## WATER-BASED PAINTS

**IT** — Consapevole dell'importanza della salvaguardia del patrimonio naturale, Novamobili è impegnata attivamente per la sua conservazione. Dal 2005 ha installato un esclusivo sistema di laccatura opaca all'acqua che riduce di oltre il 95% l'emissione di solventi inquinanti in atmosfera. Una scelta che corrisponde alla volontà di promuovere la sostenibilità ambientale e l'impegno nel creare un prodotto di qualità, sicuro per la salute dell'uomo, nel rispetto della norma europea EN 71.3.

**EN** — Aware as we are of the importance of safeguarding our natural heritage, Novamobili is increasingly committed to its conservation. Since 2005, we have been using an exclusive water-based matt lacquering system, reducing the emission of polluting solvents by over 95%. A choice that reflects our desire to promote environmental sustainability and our commitment to creating a quality product that is safe for people, in compliance with European standard EN 71.3.

## ECO-COMPATIBILITÀ E QUALITÀ
## ENVIRONMENTALLY FRIENDLY AND TOP QUALITY

**IT** — Le vernici all'acqua, applicate con impianti moderni ed efficienti, offrono una resa superiore a quelle tradizionali: le superfici trattate si presentano distese, morbide al tatto e mantengono un'ottima brillantezza dei colori, un'eccezionale durezza e resistenza chimico-fisica della finitura nel tempo.

**EN** — Water-based paints, applied with efficient modern equipment, give much better results than traditional paints: the treated surfaces are smooth, soft to the touch and maintain excellent colour brilliance, producing a finish with exceptional lasting hardness and chemical and physical resistance.

## PANNELLO ECOLOGICO
## ECOLOGICAL PANEL

**IT** — Per Novamobili qualità significa rispetto per l'ambiente e per la salute del consumatore. Per questo vengono utilizzati pannelli nobilitati atossici nel pieno rispetto della normativa Europea classe E1. Il Pannello Ecologico è realizzato esclusivamente con reimpiego di legno, mediante un processo produttivo di qualità certificata che rispetta l'ambiente perché non comporta l'abbattimento di alberi.

**EN** — For Novamobili, quality means respect for the consumer's health and the environment. For this reason, we use non-toxic foil-wrapped panels to European class E1. Our Ecological Panel is made entirely of recycled wood by a quality-certified production process that is environmentally friendly as it does not involve felling trees.

**IT** — La qualità Novamobili è certificata secondo le direttive dell'Unione Eurasiatica.

**EN** — Novamobili quality is certified in compliance with the Eurasian Union technical regulations.
